Moses Brown School is a co-educational independent day school for nursery through twelfth grade. Moses Brown, a Friends school, exists to inspire students to reach their fullest intellectual and spiritual potential. We engage students in a rich academic curriculum, a broad offering of arts and athletics, and a daily life strongly rooted in the Quaker values of community, equality, and service. We affirm the Quaker belief that there is an inner light in each person which influences our decision making and leads us to the truths we seek. We consider virtues of simplicity, integrity, group wisdom, and respect for differences paramount to helping students of all faiths and backgrounds discover their missions in the world.

In its hiring practices, Moses Brown deliberately seeks to maximize the diversity of the school (in terms of class, gender, ethnicity, race, religion, sexual orientation, abilities/disabilities, and language).
