

The Lower School Library is Here For You!

Dear MB Community,

As one of your information and literacy professionals, I want to be sure that you are aware of the amazing resources that have been assembled for your distance learning and beyond. Click [here](#) for a virtual tour of the library page and how to unlock its treasures.

If you are not familiar with your library's website (library.mosesbrown.org), now is the time to explore. All LS databases, are accessible off campus, at home, or wherever there is an internet connection. Usernames and passwords are available on the [Databases and Links](#) page.

For your research and nonfiction reading pleasure:

- PowerKnowledge suite
- Pebble Go
- Pebble Go Next
- FactCite and more!

We want everyone to *keep reading for fun*. Here is a quick link to our [Reading and Literacy](#) page where you can access these resources and more!

- Audible
- Bookflix
- Capstone Interactive
- Podcasts
- Tumble Book Library

Still not convinced? If you like science, drawing or moving your body we've got that! How about:

- Brain Pop
- Nat Geo at Home
- Lunch Doodles with Mo Willems
- Go Noodle

This is just a sampling of what is out there for you. To access the Library website please go to: <https://library.mosesbrown.org>. To get to the Lower School website simply select the picture designated **LOWER**. Click [here](#) for a virtual tour of the library page.

Thank you for your kind attention. Happy reading, stay calm, and practice kindness. I miss you.
