

Pickup + Dropoff

Updated 23 August 2021

Upper School

Enter on Lloyd Avenue and use the appropriate pickup or dropoff location by grade. Exit via Hope Street. NOTE: there will be no waiting on access road at pickup; text or call your child before entering roadway to ensure they are ready.

5th–8th Grade

Enter on Hope Street using right side of lane. Exit through Hope Street.

K–4th Grade

Enter on Lloyd Ave and stay to the left. Faculty and staff will be present to help children out of cars and escort them to class. Exit through the main gate.

Pickup: When you pull up to the pickup area, please stay in your car; we will escort your child to the car and help get them buckled.

Nursery

Enter on Lloyd Avenue, then park in the lot immediately to your left. Walk your students to the classroom door. Please follow the drive west through campus and exit on Hope Street. Repeat this process at pickup.

Pre-Primary

Street parking is available on Olney Street and Morris Avenue, north of campus. Please enter and exit campus from Morris Avenue.

Families with children in multiple divisions should use the arrival procedures of their youngest child. E.g., if you have a child in nursery, you should park your vehicle in the lower lot (to the left as you enter from Lloyd Avenue) and have your older child proceed to their designated entrance. The same is true for dismissal; older children should meet their family at the pick-up location of their youngest sibling.
